

**CREATIVE SOLUTIONS THAT MAKE A DIFFERENCE**

Glaz-Tech Industries offers Glaz Chips™ Fire Glass as a creative solution for fireplaces, fire pits and other spaces. Its assortment of colors and reflective coatings gives any designer, homeowner or project manager various options to create a pleasant ambience. Its low maintenance and formulated tempered characteristics allows these jewel like crystals to last a lifetime. With those attributes in mind you won't have to worry about Glaz Chips™ burning, melting and most importantly no discoloring. If you are looking for a product that will completely set itself apart then Glaz Chips™ Fire Glass is your alternative answer. Stop guests in their tracks and be unique in creative spaces.

**THE ALTERNATIVE THAT WILL SET YOU APART.**  
SET THE MOOD. CREATE THE AMBIENCE. BE UNIQUE.

Visit us online for colored glass options and hardware.
