### GTI LIVE™

Glaz-Tech's new online features lets you preview real-time and accurate shipping dates for all your invoices along with product detail and descriptions. GTI Live's application serves as an organizational tool to keep records of job deliveries, completed jobs, production status and back orders. To view this enhanced tool please select the GTI Live™ button found on your account screen.

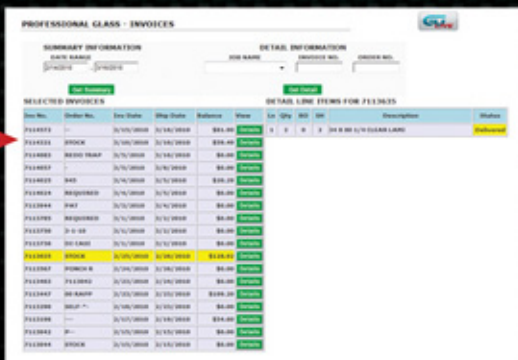

### TRACK REAL-TIME DELIVERIES WITH ACCURACY

- View expected shipping dates for all outstanding orders.
- View all items that are on truck due for delivery.
- Print **Packaging List** for the day you have your items delivered.

**Auto Processes**

- Send Text Alerts
- E-mail Confirmations
- E-mail Invoices
- E-mail On Hold

GTI Live™ lets you customize the way you would like to receive job status and invoice information. These features are accessible by logging in to your **GTI Account** or under the **Profile Tab** on the main menu.

Select specific query dates and monitor previous or current invoices. GTI Live™ gives you a detailed analysis of products ordered and shipping methods used to finalize the order.
