From Chris Smith

Hi, my name is Chris Smith. I am a US Army retiree, and have worked in the corporate workforce for almost 18 years as an IT Program Manager, Business Developer and Director of Business Integration. Over the years, I have owned and managed several small businesses involved in management consulting, forest product brokering and renewable energy, and most recently worked as a Business and Operations Manager for a medium size private school. I hold a bachelor's degree in business administration from Regis University and an MBA.

I am married to Suzi, my wife of 25 years, and we have two adopted children, Rod, 26; and Bailey, 15. We enjoy traveling, camping, and most times just relaxing by the pool.

I am very excited to join the Glaz-Tech family and look forward to supporting you alongside my colleagues in the Tucson corporate office.
