

July 6th, 2016

To Our Valued Customers,

We are excited to announce that Mr. Scott Johnson will be our new Architectural Sales Manager/Estimator. Scott has 37 years of experience in the glass industry and he brings a wealth of knowledge in fabrication, installing and estimating commercial storefront metal and glass.

From Scott Johnson

"I have worked in both residential and commercial metal and glass for the past 37 years as an installer, fabricator, estimator and project manager. The glass companies that I have worked for during my career are Glass Related Products, Seagull Glass, Gardner Glass, as well as my own company Viewco Glass. For the past five years I worked at LCG Facades as a project manager overseeing project budgets, personnel, materials and equipment from pre-planning through job completion. I have been married to my wife Julie for 26 years and we have two children, Jacklyn and Jon. I enjoy camping, hunting and working on old cars."

We are confident you will find Scott as pleasant and helpful as he is knowledgeable. We are proud to have him represent us here at Glaz-Tech- Salt Lake and we are sure our customers will appreciate Scott's overall expertise in the commercial metal arena. During this transition period with Scott our previous Architectural Sales Manager, John Taylor, will be assisting Scott in our storefront metal estimating and fabrication process.

We thank you for your past business and respectfully ask for your continued support.

Sincerely,
Glaz-Tech Industries

Scott Johnson
